Any questions? Feel free to reach out to Emily for assistance.

Shingles should be hung on a post. Our recommended post installer is Real Estate Sign Services. Call 317-251-0131 or visit [RealEstateSignService.com](http://RealEstateSignService.com) for more details.

## OPEN HOUSE SIGN OPTIONS ..... \$25 EA.

To complement these signs, use metal H-stakes, and for added information, consider including a corrugated rider displaying days and times. H-stakes are purchased separately for \$10 each and corrugated riders are \$15 each. While Option A is readily available, the remaining choices can be ordered through our vendor, with an estimated delivery time of about three business days.

# GENERIC & CUSTOM RIDER OPTIONS ..... \$15-20 EA.

*Price depends on material.*

Explore our range of rider options, including both generic and custom designs. When placing your order, please specify your preference for the material you would like the riders to be produced in. Your choices are metal (\$20) or corrugated (\$15) material. Note that metal material pairs well with shingles, while corrugated is suitable for all other signage.
